

Skenfrith Community Council - Biodiversity Report 2025

Section 6 Environment (Wales) Act 2016

Name of Authority – SKENFRITH COMMUNITY COUNCIL

Skenfrith Community Council resides in rural Monmouthshire and has 531 electors. We currently have five Councillors and are trying to recruit a further two.

| NRAP Objective | Carried out to: | Action | Councillors involved |
|----------------|-------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------|
| 1. | Embed biodiversity into decision making and procurement. | -Review included in most Council meetings. | Clerk |
| 2. | Raise awareness of biodiversity and its importance | -Relevant information has been placed on our website. | Clerk |
| 3. | Tackle negative factors – e.g. reduce pollution, use nature based solutions, address invasive species | -We have taken part in local litter picks -Ongoing - investigate whether nature based solutions could help alleviate flooding problems at Skenfrith and the breaking of the river bank at Llanvetherine. | Cllr Hughes Jones, Cllr Bevan and Cllr Dickins |
